REOPENING

COVID-19 Employee Screening Questionnaire

Screening employees daily can help in preventing the spread of the coronavirus in the workplace. The following is a list of recommended questions that can be used to screen employees for COVID-19.

Each day, before the start of the shift, ask each employee the following questions:

1.	Do you have a new cough that you cannot attribute to another health condition?			YES / NO
2.	Do you have new shortness of breath that you cannot attribute to another health condition?			YES / NO
3.	Do you have a new fever (100.4°F or higher) or chills that you cannot attribute to another health condition?			YES / NO
4.	Do you have any of the following ☐ Fatigue ☐ Congestion or runny nose ☐ Sore throat	symptoms? New loss of taste or smell Headache Diarrhea	☐ Muscle or body aches☐ Nasea or vomiting	YES / NO
5.	Have you come into close contact (within 6 feet) with someone who has a laboratory-confirmed COVID-19 diagnosis in the past 14 days?			YES / NO

If an employee answers YES to ANY of the above questions, exclude the employee from work.

- Sick employees should follow the steps recommended by the Centers for Disease Control and Prevention (CDC):
 What To Do if You Are Sick
- Employees who test positive for COVID-19 should not return to work until the criteria to discontinue home isolation are met:

 Discontinuation of Home Isolation for Persons with COVID-19
- Employees who have had close contact with a laboratory-confirmed COVID-19 case for an extended period of time should be
 excluded from work for 14 days: <u>Public Health Recommendations for People in U.S. Communities Exposed to a Person with
 Known or Suspected COVID-19, other than Health Workers or other Critical Infrastructure Workers
 </u>
- For general guidance for businesses, see: <u>CDC Interim Guidance for Businesses and Employers to Plan and Respond to Coronavirus Disease 2019 (COVID-19)</u>

If an employee answered NO to <u>ALL</u> the above screening questions, allow the employee to start their shift and remind them to:

- Wash hands properly when necessary.
- Not shake hands or make direct contact with any other employees or customers.
- ✓ Continue to practice social distancing.
- Wear a cloth face covering.

The above recommendations are specific to the COVID-19 outbreak and should be used in addition to your employee health policy.
